TUESDAYS/ 9:35–10:30 A.M. OR 11:00–11:55 A.M. / CENTER FOR THE ARTS CONCERT HALL

THE PURPOSE OF CHAPEL IS to bring together the entire campus in a shared spiritually enriching hour that allows students collectively to be challenged to explore the depths of God's truth and love. While Chapel is most often structured as a worship service, the purpose of Chapel is somewhat different from the systematic spiritual development students receive from their local church. And thus, Chapel is purposefully designed never to take the place of a local church in a student's life.

Dr. Roger Parrott, President
Rev. Doug Eltzroth, Music Coordinator
Mr. Frank Dolansky, Media Coordinator
Dr. Shelley Smith, Chapel Attendance

Chapel #1 9:35–10:30 A.M.
Chapel #2 11:00–11:55 A.M.
Center for the Arts Concert Hall

Students' attendance in Chapel is required because, within our Christian framework, we believe that all teaching of truth must be built on a foundation of God's truth. As the study of chemistry cannot be completed from a textbook alone, the study of God's truth also needs a "laboratory" for experiencing and understanding, for it is not enough to study the Bible without having exposure to the worship of God and an opportunity to understand the relationship offered to us in Christ.

In order to receive credit for chapel you must:

1. Download the iAttended app, enable locations for the app, and enter the code on the screen before AND after chapel.
2. BE SEATED in an auditorium seat until after the Benediction has been completed.
3. Should a student not have a smart phone, they can see a staff member in chapel to assist in receiving credit.

Chapel attendance is required for all full-time traditional undergraduate students. Students are required to attend a minimum of eight (8) chapel services each semester. Students will only receive credit for attendance through the iAttended app by entering the 5-letter code at the beginning and entering the 5-letter code at the end of each session (if you do not own a smart phone, you will need to contact Student Development).

Attendance will not register after five minutes from the start of each session, at which point students are counted absent. Students leaving early are also counted absent. Students are to be seated until the benediction has been completed and show respect by listening and not being disruptive. All cell phones must be turned off or set to vibrate.

Students who have not met the minimum Chapel attendance requirement during a semester may receive one (1) attendance credit by serving two (2) hours in the community with an approved organization or by making a \$35 gift to the Chapel Mission Fund.

All forms for community service and the mission fund are available on BlazeNet and must be approved by the Chapel Office in the Office of Student Development (Student Center – Second Floor; chapel@belhaven.edu; 601-968-5969).
